JUNIOR SUPPORT FUND – INSTRUCTIONS

Voucher recipients will be reviewed by AFL Western District to ensure vouchers are not misused. Please follow below instructions and guidance.

1. Select 3 players in your club (netball or football) that require support. We are particularly focussed on supporting players where without such financial support, they might not otherwise participate or get enjoyment. The player should either have a healthcare card or demonstrate financial hardship. If providing healthcare card, the card number and expiry must be provided on the application.
2. Complete nominator, club and junior player details via the following link:
<https://forms.gle/WMfLRuhzfmRX7SVE8>
3. Once reviewed, you will receive an email giving the go ahead for the voucher to be used. The voucher may be presented at any of the SportsPower stores in Portland, Hamilton or Warrnambool for football and netball gear.
4. It would be greatly appreciated if your club can show support to The Midfield Group by either a) Sharing social media posts by AFL Western District of the partnership and/or b) Completing a club social media post thanking The Midfield Group and/or c) Emailing Sharnie McKenna directly at sharnie.mckenna@midfield.com.au to express thanks.

Regards,

Matthew Ross
Regional Manager – AFL Western District
